

City2Summit Realty

Your Goals. Our Drive. Proven Results.

City2Summit Realty was founded with a simple vision: to create a brokerage built on honesty, integrity, and an unwavering commitment to my clients' success, to remove the corporate red tape and offer a more personalized, high-touch experience—one that truly prioritizes the needs of buyers and sellers.

Why an Independent Brokerage Matters

With years of experience as a top-performing Realtor and Property Investment Specialist in Colorado and nationally, City2Summit's founder, Mark Baker developed a strong foundation of innovative marketing tools, educational resources, and best practices—all backed by a trusted network of industry professionals. This enables City2Summit to provide its clients with exceptional exposure, cutting-edge strategies, and a competitive edge in the ever-changing real estate market.

Unlike large franchise brokerages, City2Summit Realty operates with efficiency, flexibility, and a client-first approach. This means:

- Faster decision-making and problem-solving — no corporate delays, just swift and strategic action
- The ability to adapt and pivot quickly — staying ahead of market shifts, trends and technology
- Tailored marketing strategies customized to highlight the unique value of each property
- Direct and consistent communication — ensuring you're always informed and supported

With City2Summit Realty, you gain more than an agent; you gain a dedicated advisor, advocate, and partner in your success.
